ELITE™ SERIES

Elite LV™ 54" shown

■ The Elite™ LV fireplace represents the latest in technology and design resulting in the ultimate combination of style and performance. The focal point of the LV is it's mesmerizing flame. Showcased by a glassy smooth porcelain interior and framed by your choice of optional surrounds, the flame is not only stunning, but, thanks to cutting edge Infini-Flame technology, it is also the heart of a highly efficient heater; the end result being a fireplace that uses less fuel to heat your home while making it more beautiful. ■

Elite™ LV shown with Reflective Black media and Porcelain interior.

STANDARD FEATURES

54" and 42" wide contemporary linear designs.

Infini-Flame™ technology creates continuous band of mesmerizing flames.

Ceramic glass provides superior clarity as well as radiating warmth back into the room.

IMPORTANT NOTES:

As with any heating appliance, fireplace or stove, this appliance is extremely hot during operation. Read and understand all operating instructions before using this appliance. For further information, consult your dealer.

Local conditions, such as elevation and choice of fuel will affect overall appearance of the fire and heating performance. Performance can also vary with home design and insulation, ceiling height, accessories chosen and appliance location.

Diagrams, illustrations and photographs are not to scale—consult installation instructions. Product designs, materials, dimensions, specifications, colors and prices are subject to change or discontinuance without notice.
