MERIT® SERIES

MLDVTCD shown with *Obsidian Black* crushed glass media.

■ The Merit® MLDVTCD contemporary gas fireplace focuses on the pure, simple, beauty that a decorative fireplace can add to a room. With many of the same features as high end designer fireplaces, it brings the latest in contemporary design to smaller spaces. One of the most versatile fireplaces, it can be installed at floor level, with a raised hearth or even mid-wall providing the perfect view. Add an elegant fascade, stunning in black or stainless steel, for a beautiful linear appearance. With a soothing ribbon of flame, reflective porcelain rear panel, and a choice of optional interiors this fireplace is an unbeatable value. ■

STANDARD FEATURES

Hidden ribbon burner creates a beautiful soothing flame.

Reflective black porcelain panel enhances the appearance of the flames.

Perfectly sized for smaller spaces.

Contemporary design delivers a clean modern look that complements many architectural styles.

Choose from Millivolt or energy saving battery backed up intermittent pilot ignition. All models have hi/lo flame and heat control and will work during a power outage.

OPTIONAL ACCESSORIES

Decorative façades in layered stainless, black and brass:

- 1 Façade base in black and stainless
- 2 Façade frame in black and stainless
- 3 Façade trim in black, stainless and brass

Decorative façade

Decorative Facade combines three elements the facade base, facade frame, and trim.

Choose from black or stainless steel for each element.

Deep Sea Blue crushed glass

Obsidian Black crushed glass

Diamond White crushed glass

Tumbled river stone and beach sand with Zen Garden liner

Beach sand with reflective black porcelain panel

Diamond White crushed glass with reflective black porcelain panel

PRODUCTS AND DEALERS YOU CAN COUNT ON

At Lennox, we understand how important it is for you to feel comfortable at home, so we're committed to providing you with the finest hearth products available. Choosing the right dealer for your hearth needs is every bit as important as choosing the right brand, and we think you'll agree that our dealers are a big reason why you can count on getting quality customer service when you call.

On the cover: MLDVTCD-35 shown with decorative façade in black and brushed stainless trim.

IMPORTANT NOTES:

This appliance is extremely hot during operation. Read and understand all operating instructions before using this appliance. For further information, consult your dealer.

Local conditions, such as elevation, wind, vent configuration and choice of fuel will affect overall appearance of the fire and performance. Performance can also vary with home design and insulation, climate, condition and type of fuel used, appliance location, burn rate, accessories chosen, chimney installation and how the appliance is operated.

Diagrams, illustrations and photographs are not to scale—consult installation instructions. Product designs, materials, dimensions, specifications, colors and prices are subject to change or discontinuance without notice.

Approved and listed to U.S. and Canadian safety and performance standards—ANSI Z21.50/CSA 2.22 and CAN/CGA 2.17M91.
