

With the smallest footprints on the market, the Merit® Plus Series multi-view gas fireplaces offer a maximum viewing area for an enchanting fire from multiple rooms.

**MERIT® Plus**  
SERIES

**MPD35ST** shown with optional ceramic brick liner kit

■ The bedroom, bath, study or den. Anywhere you can imagine a fireplace, the Merit® Plus Series see-through or peninsula direct-vent gas fireplaces fit right in. Their compact 15.8-cu.-ft.\* design—the smallest footprint and volume on the market—uses less valuable floor space. But don't let the convenient size fool you; the Merit Plus Series see-through and peninsula fireplaces are huge on features. The log sets are unmatched in beauty and realism, with the fire on and off. An enchanting fire fills their spacious openings with a maximized view-to-volume ratio that is absolutely impressive. With heater-rated direct-vent and decorative B-vent configurations, the Merit Plus Series see-through and peninsula fireplaces are the biggest thing to happen to small spaces! ■

### IMPORTANT NOTES:

As with any heating appliance, fireplace or stove, this appliance is extremely hot during operation. Read and understand all operating instructions before using this appliance. For further information, consult your dealer.

Local conditions, such as elevation, wind, vent configuration and choice of fuel will affect overall appearance of the fire and heating performance. Performance can also vary with home design and insulation, climate, condition and type of fuel used, appliance location, burn rate, accessories chosen, chimney installation and how the appliance is operated.

Diagrams, illustrations and photographs are not to scale—consult installation instructions. Product designs, materials, dimensions, specifications, colors and prices are subject to change or discontinuance without notice.

Approved to U.S. and Canadian safety and performance standards—MPDST, MPDPF; ANSI Z21.88/CSA 2.33-M98 vented gas fireplace heaters (OTL 116-F-28-5). MPBST; ANSI Z21.50/CA 2.17-M98 decorative gas appliances (OTL 16-F-27-5).
