*Screen panel kit

*Style view door

The SLBV is a decorative product and is not intended for use as a heating appliance.

*Screen panel kit provides a barrier to prevent direct contact with hot glass surface.

IMPORTANT NOTES:

This appliance is extremely hot during operation. Read and understand all operating instructions before using this appliance. For further information, consult your dealer.

Local conditions, such as elevation, wind, vent configuration and choice of fuel will affect overall appearance of the fire and performance. Performance can also vary with home design and insulation, climate, condition and type of fuel used, appliance location, burn rate, accessories chosen, chimney installation and how the appliance is operated.

Diagrams, illustrations and photographs are not to scale - consult installation instructions. Product designs, materials, dimensions, specifications, colors and prices are subject to change or discontinuance without notice.

Listed to ANSI Z21.50 standards.

Consult your distributor for local fireproof code information.
