STANDARD FEATURES

Louverless design with larger viewing area puts the focus on the fire. Less exposed metal on the fireplace face allows for a clean premium appearance and easy application of finish materials.

Flex connector with shut-off.**

Wiring for optional wall switch.

Choose from Millivolt or energy saving battery backed up intermittent pilot ignition. All models have hi/lo flame and heat control and will work during a power outage.

Charred oak-style logs with glowing embers, and decorative lava rock.

Use Secure-Vent™ 4.5" (rigid) vent or Secure-flex™ 4.5" venting systems for easy installation and dependable operation.

20-year limited warranty.

FRAMING DIMENSIONS

Inches (millimeters)

	WIDTH	HEIGHT	DEPTH	VIEW (H x W)
SLDVT-30	30-1/4" (768)	35-1/4" (895)	16" (406)	23 1/4" x 27"
SLDVT-35	35-1/4" (895)	35-1/4" (895)	16" (406)	23 1/4" x 32"
SLDVT-40	40-1/4" (1022)	40-1/4" (1022)	16" (406)	28 1/4" x 37"
SLDVT-45	45-1/4" (1149)	40-1/4" (1022)	16" (406)	28 1/4" x 42"

Brick Refractory Liner

*Screen panel kit

OPTIONAL FEATURES

Fixed screen panel kits.*

Ceramic fiber refractory liners - Traditional Buff and Traditional Red.

Wireless remotes including thermostatically controlled versions.

Forced-air blower kits.

IMPORTANT NOTES:

As with any heating appliance, fireplace or stove, this appliance is extremely hot during operation. Read and understand all operating instructions before using this appliance. For further information, consult your dealer.

Local conditions, such as elevation, wind, vent configuration and choice of fuel will affect overall appearance of the fire and heating performance. Performance can also vary with home design and insulation, climate, condition and type of fuel used, appliance location, burn rate, accessories chosen, chimney installation and how the appliance is operated.

Diagrams, illustrations and photographs are not to scale - consult installation instructions. Product designs, materials, dimensions, specifications, colors and prices are subject to change or discontinuance without notice.

Listed to ANSI Z21.88 and CSA 2.33 standards.

Consult your distributor for local fireplace code information.
