COLLECTION

Winslow™ pellet insert shown with nickel-plated door and grille, nickel-finish surround trim and log set.

■ Available as a stove or insert, the Winslow™ delivers inviting, efficient and reliable heat in an attractive unit that can be customized to complement your home décor. Ease of use and serviceability are designed right into the Winslow with convenient features like easy access to components, a unique air wash system for maintaining amazingly clean glass and a self-cleaning burn pot. And Smart Heat™ technology provides the ultimate in precision heating and comfort control. Plus, with fully automatic operation, the Winslow works like a regular furnace, allowing you to set your desired temperature and walk away. ■

STANDARD FEATURES

- a** Large, easy-to-load hopper requires less frequent loading and ensures longer burn times (Stove = 60 lbs.; Insert = 55 lbs.—can be reduced to 40 lbs.)
- b** Large, heavy-duty welded steel heat exchanger provides efficient heat transfer and maximum durability
- c** Smart Heat™ technology delivers the ultimate in precision heating and temperature control
- d** Easy-to-use, concealed controls allow for convenient temperature control
- e** Burns a mixture of corn and pellets* (recommended 25/75 corn-to-pellet ratio; maximum 50/50 corn-to-pellet ratio)
- f** Extra-large ash drawer removes quickly and easily for simple cleaning (PS40 only)
- g** Durable cast-iron burn pot with airburst feature decreases the need for cleaning and provides reliable starts
- h** Easy, unobstructed access to internal components makes cleaning and service simple
- i** Sealed blower and auger assembly ensures quiet operation and never needs to be greased
- j** Unique air wash system keeps glass amazingly clean and eliminates the need for frequent cleaning
- k** Innovative self-ignition system delivers hassle-free automatic starts and works with a thermostat for automatic heat control (Smart Heat)

CUSTOMIZE TO YOUR TASTE

The Winslow™ offers a variety of design and convenience features to complement your home and lifestyle. Choose from the following options to customize your Winslow free-standing stove or insert:

STEP 1: FREE-STANDING STOVE OR FIREPLACE INSERT

Choose the body that matches your preference and needs.

Free-Standing Pellet Stove

Fireplace Insert

STEP 3: SURROUND SIZE AND TRIM FINISH (insert only)

Choose the surround size based on your existing fireplace opening: 41"W x 29"H, 48"W x 29"H, 41"W x 33"H or 48"W x 33"H. Then choose the trim finish.

Black (standard) Gold (option) Nickel (option)

STEP 2: DOOR AND GRILLE FINISH

Choose the finish that best complements your room décor and/or color scheme.

Brushed nickel

Black nickel

NOTE: Mix and match door and grille finishes to create a unique look.

STEP 4: LOG SET (optional)

For a realistic fire, add an optional log set.

STEP 5: BRICK PANEL (optional)

Add a stylish brick panel.

Limited Lifetime Warranty

Backed by the Good Housekeeping Seal

OPTIONAL ACCESSORIES

Zero-clearance kit (insert only)

– Allows the insert to be framed into a wall during construction or a remodel

Front support kit (insert only)

– Extends the surrounds and supports the insert for a finished appearance in elevated installations

Remote thermostat

Log set

Brick panel

**Performance may be affected depending on fuel used and mixture.*
