Vigilant II Coal Stove

Traditional Warmth

Built Vermont Proud and Strong

Enjoy the Warmth and Comfort of Coal

For steady, low maintenance, high-output heat, nothing compares to a coal stove by Vermont Castings®. We've created a stove that can heat up to 2,000 square feet for up to 18 hours on a single load. There's even an automatic thermostat to ensure steady heat flow to your home. Classic style and modern convenience – a Vermont Castings exclusive.
