- Air Cleaned Firepot to help keep maintenance to a minimum and retain high efficiency.
- Fully automatic PLC for user friendly operation.
- Low maintenance, just makes life easier.
- Burn back protection to keep everyone safe.
- Proven technology from Europe.

**BY NORTHWEST
MANUFACTURING, INC.**

BENEFITS OF THE ULTRA SERIES

1. High Efficiency Renovator burner with automatic ignition.
2. Easy access ash door in front for quick and easy ash maintenance.
3. Large ash box for longer intervals between cleaning.
4. Efficient heat transfer tubes.
5. Rear access door with burner interface.
6. Easy access flue tube clean out door for simpler maintenance.
7. Water jacket with 60 gallon capacity.
8. Air supply to auto clean the Renovator & minimize maintenance.

FEATURES AND SPECIFICATIONS

Why WoodMaster?

WoodMaster has a long proud history of building quality alternative energy heating products in the USA since 1989. We have taken our knowledge and have partnered with the leaders in the European industry to take our products to the next level. To keep up with EPA and the industry a company must advance in research and development or cease to exist.

With the changes happening in the wood burning industry, why not be with the leader?
