MINIMUM CLEARANCE WITH COMBUSTIBLE MATERIALS

Glass doors to opposite walls – All models	42 in. (107cm)
Vent to walls – All models	3 in.(8 cm) for the first 8 ft. of vent (except if protected by a firewall) and 1 in.(25.4 mm) for the rest of the vent.
Top of the fireplace to ceiling - All models	21 ¼ in. (54cm)
Back of fireplace to adjacent material - Models: LOO, MISTRA, SIROCCO, AUSTER and MOUSSON.	0 in. (0 cm.)

PROFLAMME 2 REMOTE CONTROL

The J. A. ROBY gas fireplaces are designed to give you comfort and control with a simple touch of the PROFLAMME 2 remote control included with the appliance. The remote can:

- ❖ Turn the burner on/off
- ❖ Adjust flame level (6 settings)
- ❖ Control the programmable thermostat
- ❖ Control the Smart thermostat that adjusts flame height depending on the difference between the predetermined temperature setting and the ambient temperature. When the ambient temperature approaches the set temperature, the Smart function lowers the flame.
- ❖ Control the intermittent pilot mode (IPI) and continuous pilot mode (CPI)
- ❖ Give low battery notification
- ❖ Be locked for child safety

SmartCase™

ADVANCED TECHNOLOGY

To make it easier to maintain its appliances, J. A. ROBY created the "SmartCase™", a cartridge that contains everything required for turning the fireplace on and controlling it. A fast and easy method for a smooth running fireplace!

To prevent burn risks, all gas fireplace models are equipped with thin protective grilles that let you see the flame clearly.

RELIABILITY AND DURABILITY

J. A. ROBY gas fireplaces are made of high-end materials and each unit is factory tested. 1/8 in. thick 2 ½ x 2 ½ in. square pipes make for a durable frame that can accept any type of trim and support a weight of 10,000 lb or more.

FIERY PENINSULA

Let yourself be enchanted by the MISTRAL gas fireplace and its unique look. Open on all three sides, the MISTRAL fireplace is ideal for common living spaces and it goes well with any decor. It comes with a remote control and can be adapted to be used with propane or natural gas.
