

NAPOLEON

VECTOR™ SERIES DIRECT VENT FIREPLACE
napoleonfireplaces.com

The Vector™ Series Linear Gas Fireplaces. Limitless possibilities.

Imagine yourself relaxing in front of a luxurious fireplace. The room is warm and filled with the radiance of dancing flames and a mesmerizing glow from the LED ember bed, all controlled by remote control or your mobile device.

The extensive panoramic viewing area gives you a visual display of vibrant flames; flames that feature Napoleon's new **Divinity™** flame pattern, enhanced with **MIRRO-FLAME™** Porcelain Reflective Radiant Panels. We've developed more compelling flames with higher peaks and valleys than ever seen in a fireplace. Achieve limitless color options as the ember bed can cycle through the entire color spectrum and dazzles through beautiful clear glass beads.

Additional media kits and enhancement kits are available to create your own personal look, ensuring a fireplace experience you will love today and forever.

available free on iTunes and Google Play

Mobile Device Controlled

Napoleon's **eFIRE** app will revolutionize the way you use your fireplace. We have cracked the code and present to you the first fireplace to be controlled by *Bluetooth®* technology, using an intuitive app on your mobile device.

The **eFIRE** application allows you to create every imaginable color, selecting the one that fits your current mood, or your décor with ease, the simple color wheel tool swiftly scrolls through the full color spectrum. Napoleon's **eFIRE** app controls every function of your fireplace including; on/off, flame height and blower speed. Total convenience.
