Napoleon Modern Collection

Direct Vent Gas Fireplaces

From Our Family to Yours

With over 30 years in the hearth industry, we are able to offer you a wide range of products, all proudly carrying the President's Limited Lifetime Warranty. The years of experience, care and quality results in the creation of hearth products that possess a timeless and enduring style, worthy of a place in your home.

As the largest, family owned hearth products and gas grill manufacturer in North America, we invite you to experience the complete family line-up of Napoleon® wood, gas, electric and pellet burning fireplaces, inserts and stoves. Our products are available for viewing at an authorized Napoleon® dealer nearest you or online at napoleonfireplaces.com.

WHY NAPOLEON?

Making your life easier...

Napoleon's Modern Collection is designed to provide you absolute comfort and control at the touch of your fingertips. It's that easy. When you install a Napoleon® direct vent gas fireplace, you can rest assured that you will enjoy a lifetime of instant ambiance with reliable performance year after year.

An investment you can count on...

Your new Napoleon® fireplace adds value to your home while at the same time giving you uncompromising comfort and a reliable heating source. Aside from kitchen and bathroom renovations, fireplaces add the most return on your home investment. Nothing to lose and everything to gain.

Create your personal design statement...

Surround yourself with a home environment that makes you feel good, relaxed and proud to reflect your decorating style. Thousands of designer options are available to create the exact statement you have been looking for.

Beautiful fires, best flame in the industry...

With advanced burner technology and innovative design, Napoleon's YELLOW DANCING FLAMES® are so realistic it's hard to tell the difference from a real wood burning fire.

Authorized dealer support network...

With over 3,000 reputable authorized dealers across North America and Europe, Napoleon® provides professional and consistent training and technical support to ensure your fireplace is installed by a certified, reputable installation technician.

Outstanding Reliable Warranty...

Each and every Napoleon® fireplace is designed and manufactured to strict quality testing standards and backed by the President's Limited Lifetime Warranty, guaranteed to give you the peace of mind you deserve.
(Registered under the world recognized ISO 9001-2008)

TORCH™

Obadiah's • 406-300-1776

The Torch™ GT8

An ultra modern direct vent fireplace with a slim design featuring a reflective, prism shaped firebox. The simplicity of the single luminous flame glows with artistic character. The perfect accent for bedrooms, bathrooms, kitchens, entrance ways, hallways, offices, bars, lounges and waiting rooms. Versatile installations make it ideal for new construction and renovation projects, especially where space is limited.

Napoleon® Exclusive Features

- **Optional dual accent lights, mounted underneath and above the unit add a distinct glow to the surrounding decor**
- **Innovative, clean face design with a tall, narrow viewing area**
- **Backed by President's Limited Lifetime Warranty**
- Zero clearance installation and extremely shallow firebox allows for versatile installation possibilities
- Single luminous flame glows throughout the firebox
- Porcelain Reflective Radiant Panels (that echo flames throughout the unique prism shaped firebox) and decorative glass embers come standard with the unit
- Heat radiating ceramic glass window
- Optional decorative frames are available in White, Red, Steel Blue, Diamond Dust Pewter, Brushed Stainless Steel and Painted Metallic Black finishes
- Optional cabinet allows for easy wall mount installation if recessing is not possible - ie: solid wall. Available in Painted Metallic Black and Brushed Stainless Steel for rear vent and vent free* unit and Brushed Stainless Steel for outdoor unit
- Available as a natural gas or propane unit
- Cost saving electronic ignition with two on/off switches (one for burner and one for optional light kit)
- 100% SAFE GUARD™ gas control system quickly and automatically shuts off the gas supply for your peace of mind
- Approved for bathroom, bedroom, bed sitting rooms and mobile homes
- Also available for outdoors in an all stainless steel model (GSST8) and an indoor vent free* model (GVFT8)

See Thru HD81

As well as providing two rooms with an exceptional See Thru design, the HD81 offers three distinct firebox options - a traditional PHAZER® log set, a contemporary CRYSTALINE™ setting or a glowing river rock ember bed. Each setting radiates a glow and ambiance throughout the adjoining rooms. Perfect for bedroom/bathrooms, kitchen/dining and office/commercial spaces.

Napoleon® Exclusive Features

- Exclusive Napoleon® NIGHT LIGHT™ radiates a warm glow to the room even when the fireplace is off
- Choice of traditional PHAZER® logs, CRYSTALINE™ crystals or River Rock ember beds
- Optional high output blower system, which can be remotely located for WHISPER QUIET™ operation, pushes the heat out from above the door openings with SPLIT ZONE™ control
- See Thru, clean face design can be enjoyed from two separate rooms - see illustration
- Backed by President's Limited Lifetime Warranty
- Fuel saving electronic ignition with battery back-up
- Innovative, split burner system produces beautiful YELLOW DANCING FLAMES® and provides a huge heating range from 22,000 BTU's to 60,000 BTU's
- Convenient hand-held remote, controlling the flame, blower and NIGHT LIGHT™ comes standard with the unit
- Perfect for residential or commercial use
- Optional Porcelain Reflective Radiant Panels or Decorative Sandstone Panels
- Optional power vent kit makes difficult installation locations possible with added flex vent and termination versatility
- Certified for bathrooms, bedrooms, bed sitting rooms and mobile homes
